S. Comments:Performed below market expectations. Jockey advised that his mount never travelled comfortable in running but could offer no tangible reasons for the performance. Trainer advised that the stable were disappointed with the performance having expected a forward showing. A post-race veterinary examination revealed a slow post-race recovery. Trainer further undertook to advise Stewards should anything become apparent regarding the geldings condition in the coming days.

S. Comments:Commenced to yield ground from the 400m and finished tailed off. Rider advised that, after commencing to give ground near the 400m his mount soon after felt short in its action, though he did not feel the gelding was sore, but rather exhibiting signs of a lack of fitness. As such, he did not place his mount under any undue pressure in the home straight. A post-race veterinary examination failed to reveal any significant abnormalities. Stewards intend to follow up with the trainer as to the geldings condition in the coming days.
