Bayliss stated that his instructions were to race in a rearward position, however, after jumping reasonably well and with a number of runners to his inside, rather than be caught wide he elected to race in a forward position, however, once obtaining the lead he steadied the pace in front which resulted in other horses improving around his outside and them taking up forward positions.

Rider re tactics - explained after beginning fairly from wide barrier and then laying in shortly after start and bumping heavily with DARK ARCHER then allowed to balance up and elected to restrain to rear to find a position closer to the rail as he was of the opinion if he had pressed forward may have been caught wide. Added as gelding having first start over 1400m of the opinion going forward would have been detrimental to its chances to finish race off.
