S. Comments:When asked about performance & tactics, Rdr stated given no specific instructs other than to settle where comfortable-said after beginning well, another runner improved into a narrow run to inside shortly after start. Following thereafter, mount was inclined to lay out & proved difficult to ride-added approaching 1100m, when attempting to restrain for cover, was obliged to race wide until near 600m-further added gelding proved very disappointing & failed to respond to riding. A post race vet exam revealed lameness in n/fore. Vet Cert Rqd & Trial to Stewards satisfaction prior to racing again.

Rdr reported when the pace of race steadied approaching 1100m, mount commenced to over-race, therefore allowed gelding to stride to a leading position, however when placed under pressure in the home straight, failed to respond to riding-added mount would be better suited when allowed to race in a position with cover & with a more genuine tempo.
