in the home straight but was nevertheless disappointing. A post-race veterinary examination revealed the mare to be lame in the off hind leg. Trainer S.

Iverson was advised that he must provide a veterinary clearance prior to the horse starting again.

Gollan both advised that in their opinion the filly raced greenly today and would derive a benefit from the race experience, given it was having its first start. They added that in their opinion the filly would be better suited in races over a further distance than today's event moving forward in its preparation.

S. Comments:Slow into stride. When questioned regarding the horse's performance, apprentice T. Wolfgram stated that after beginning well the gelding failed to muster any early speed and was unbalanced for a short distance before finding a rhythm where the horse then commenced to travel during the race and he was satisfied with the way in which the horse found the line.

S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.
