S. Comments:Disappointed for a run when attempting to shift out to improve near the 500m and as a result was held up at the heels of a tiring runner and lost ground. Improved on to the heels of another runner near the 1300m and lost ground. Jockey K Yoshida reported that as a result of meeting interference on two occasions during the event his mount was shuffled further back in the field then he had anticipated in running however when able to obtain clear running in the home straight ran on fairly.

S. Comments: When questioned as to the performance, App. M Murphy stated that the gelding travelled comfortably in the early and middle stages but when asked to improve leaving the 600m was left flat-footed when the tempo of the race increased. App. Murphy added that the gelding was doing its best work over the concluding stages and may appreciate a step up in distance. Trainer M Lakey was of the view that the slow tempo in the early and middle stages did not suit the gelding's racing style and accordingly he was not overly disappointed with the performance.

stewards advised him that, in their opinion, he had erred in failing to shift out around the heels of KENTAUR after passing the 700m, which would have afforded him clear running and as a result of his failure to shift wider, FOREST WAY was held up for clear running from the 600m until approaching the 250m. Rider questioned re performance - stated from wide barrier elected to take up position rear of field, similar successful tactics adopted at previous start. Rider added then travelled comfortably throughout and leaving 700m improved into race on back of MILITARY LADY. Rider added despite efforts peaked on run passing 200m and failed to finish race off as expected. Rider of opinion both 60kg impost and heavy track conditions detrimental to overall performance. S. Comments:Trainer S. Kendrick was questioned by stewards regarding the seemingly improved performance from its most recent start. He indicated that at its previous start the rider had reported that in his opinion the horse was not comfortable on the smaller track and it had become awkward rounding the turn. He agreed that it was disappointing however felt that it was doing its best work over the concluding stages and was not surprised with the forward showing today. He felt the horse was also advantaged by the more favourable barrier draw

Stewards afforded apprentice B. Grylls the opportunity to comment on the horse's performance. She stated that after being tightened for room shortly after the start the filly settled further back than she anticipated. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. A post-race veterinary examination revealed no abnormalities.

S. Comments: Questioned re tactics adopted early stages, in particular after beginning well he did not hold a forward position but allowed his mount to settle towards the rear of the field, rider stated that he was instructed to ensure his mount began well and travel so as to finish off the race strongly, added that after his mount began well he rode it along and it commenced to travel comfortably, stated that runners to his outside continued to ride forward and he elected to allow his mount to remain travelling comfortably. Trainer confirmed the instructions.
