| S. Comments:When asked to comment on the horse's performance, R. Wiggins indicated that whilst the horse had difficulty securing clear running in the early stages of the home straight, it weakened over the concluding stages, which he felt could be attributed to the horse having its first start from a significant spell and would take improvement from the run. A post-race veterinary examination revealed no significant findings. |                 |                 |   |

| S. Comments:Slow to begin. Held up rounding the home turn and again in the early stages of the home straight. Stewards asked N. Day to comment on the horse's performance. He stated that after beginning awkwardly, the horse lost further ground when he momentarily lost the use of an iron, which took a short distance to regain. He indicated that he would have liked to have been in a more forward position, however the horse did not muster early speed. He added that the horse finished the race off strongly and in his opinion would be suited to racing over a further distance than that of today's event. |                   |              |                                  |

| S. Comments:Rider questioned re tactics early stages - explained instructed to ride the horse with a sit today as UPSTART PRIDE and ROCKY KING were natural leaders and the gelding would not have enough speed to go with those horses. Added he rode mount in a similar manner to when it won last start. Further added in his opinion the gelding did not travel as comfortably today as it had at its most recent start. S. Comments:Became fractious in the barriers and reared as the start was effected, losing significant ground. Allowed to stride forward approaching the 800m turn to take up a position in the lead. When questioned regarding the performance of the filly, jockey T. Harrison stated that after being fractious in the barriers and slowly away, her first priority was to obtain cover behind other runners, however after travelling a short distance the filly commenced to overrace and therefore she elected to allow her mount to stride forward 3 wide to eventually obtain the position outside the leader. She added the

A post race veterinary examination revealed the mare to be lame in the near fore shoulder. Trainer P. Butterworth was advised that the mare would be

required to perform satisfactorily in an official trial, and a veterinary clearance must be produced prior before being permitted to start again.

| S. Comments:After standing awkwardly in its stall, then bounded as the gates were released. When asked to comment on the disappointing performance, jockey J. Lloyd advised that the horse was slow to begin and he was obliged to settle at the rear of the field, which was contrary to the horse's normal racing pattern. He added from that point the gelding dropped the bit and never travelled comfortably throughout. A post race veterinary examination did not reveal any abnormality. |                     |              |  |

| S. Comments:Rider questioned re performance stated that she was able to obtain suitable position behind leaders, however mount failed to travel throughout and when placed under pressure near 500m failed to respond. Post-race vet exam revealed that gelding was showing elevated heart rate and making abnormal sounds in lungs, suspected to be respiratory infection. Following its disappointing performance, Trainer reported that serum amyloid testing had revealed an issue for which the horse would be treated before being re-scoped. A vet certificate would be required prior to its next start. |                      |            |                              |                         |  |

| S. Comments:Raced wide without cover throughout. When questioned as to performance Jockey J Parr noted the gelding was fractious prior to start. Jockey Parr added that whilst the gelding was obliged to race wide without cover he was under pressure leaving the 500m and was most disappointing. Trainer T Edmonds noted the gelding was having its first start for his stable and was at a loss to explain the performance. Mr Edmonds indicated he may freshen the gelding up before its next start and undertook to report to stewards any abnormalities subsequent to the race. Post-race vet exam - no abnormalities. |                    |               |                                     |                         |  |

S. Comments:When questioned regarding his riding in the early stages jockey D. Browne stated that after beginning fairly he attempted to position one off the fence by forcing SPUR LE JOUER closer to the rail, but when apprentice T. Brooker held her position one off he was then forced to race 3 wide. He further added that as the pace was only moderate in the early stages he elected to improve his position leaving the 800m and continued to race 3 wide, and, in his opinion, the gelding only finished the race off fairly. A post race veterinary examination revealed lameness in the off hind leg. Connecticut
