S. Comments:Apprentice A. Fancourt explained that from the wide draw she was instructed to be positive on the gelding as in its first few starts it has been slow to muster speed. She said that whilst it was not the intention to lead, after riding hard in the early stages she was concerned that she was going to be caught at least four wide so for this reason made the decision to continue to press forward and eventually cross to the lead.

S. Comments:When asked to comment on the gelding's performance, J. Byrne indicated that the horse pulled very hard in the early and middle stages and in his opinion this had a detrimental effect on the horse's finishing performance. He was also of the opinion that once he asked the horse for a response it did not handle the prevailing track conditions.

He added that after complying with these instructions the mare finished the race off strongly and also stated that as the mare steps up in distance, he would expect it to be settling in a position closer to the lead.

S. Comments:Hung out on the bends. Jockey L. Rolls explained that the horse began well, however commenced to hang out shortly after. He said after being crossed by other runners it appeared to resent racing in behind those horses, dropped the bit and despite his urgings lost ground. He said at its only jump-out the filly was able to lead, however in his opinion it would benefit from today's racing experience, adding that his mount was uncomfortable in the soft track conditions.
