He stated that, having its first for the stable, he had been instructed to ride the gelding quietly from its wide barrier and settled at the rear of the field, however he was disappointed with the way the gelding finished the race off, adding that it was inclined to lay in under pressure. Trainer T. Edmonds confirmed the instructions to ride the gelding quietly. Mr Edmonds was advised that should these instructions change, he would be expected to notify the stewards of a change of tactics.

Orman indicated that from the wide alley he had been instructed to obtain cover and therefore he took hold from the barriers, and whilst he settled 3 wide was satisfied with the cover he had obtained. He then indicated he was able to improve into the race after passing the 600m and was very satisfied with the horse's finishing effort. Jockey Orman was of the opinion that the horse's performance was significantly affected by the slow tempo set throughout the event.

Browne stated that after beginning fairly he attempted to position one off the fence by forcing SPUR LE JOUER closer to the rail, but when apprentice T. Brooker held her position one off he was then forced to race 3 wide. He further added that as the pace was only moderate in the early stages he elected to improve his position leaving the 800m and continued to race 3 wide, and, in his opinion, the gelding only finished the race off fairly.
