He said he had to steady his mount away from heels near the 600m, and indicated that in his opinion the gelding would be better suited over a longer distance than that of today's event.

Jockey Fradd explained that LASCAR is one-paced and he was instructed to ride the horse in a handy position and for this reason he thought it would be detrimental to the horses chances to settle at the rear of the field. He added that he attempted to increase the pace in the back straight with a view to racing outside the leader, GOULDIAN, however LASCAR did not quicken and, in his view, was most disappointing today.
