S. Comments:On return to scale, Apprentice N. Keal could offer no tangible explanation for the poor performance tonight. A post-race veterinary examination revealed no significant findings. Trainer T. Sears reported that when the horse returned to his stables it appeared to be distressed, and he advised that it may be the case that the horse has a virus. Mr Sears advised Stewards that he would have blood samples taken from the horse in the coming days, and would report any findings to Stewards.

Guthmann-Chester stated that he had been instructed to go forward and take up a handy position and if possible get a trail and attempt to find cover. He said that from the wide gate he was unable to achieve that option and he was reluctant to ease back as he felt that he would still be racing in a three wide position. He added, however, that in his opinion TVERSKY still found something in the early stages of the straight but tired over the concluding stages.
