S. Comments:Trainer C. Waller advised that it is the intention for the gelding to be ridden further forward today if circumstances permit. When questioned by Stewards regarding the gelding's performance, jockey M. Cahill advised that after being slow to begin the gelding failed to muster early speed, and due to the fast early tempo was hard ridden at the tail of the field for the majority of the race to hold its position. He added that in the home straight the gelding ran on fairly, and he believes that the horse may be better suited over further distances. A post-race vet exam revealed no abnormalities.

S. Comments:Near the 900m inconvenienced by REGULAR when that runner was over-racing and shifted out. When questioned as to the performance Jockey A Allen stated that after suffering interference passing the 900m he was obliged to race wide for the remainder of the trip. Jockey Allen added that whilst obliged to cover extra ground he was still somewhat disappointed in the filly's performance. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

He indicated that from the wide alley he had been instructed to settle the horse at the tail of the field and did so, adding that the pace of the race caused his mount to be off the bit for the entire race. He was obliged to nigggle the horse throughout, and he was able to save ground when rounding the home turn by improving to the inside. He added that the horse found the line well under riding in the home straight.

He indicated it had been his intention to ride in a more forward position, however the horse began awkwardly and shifted in and as a result was obliged to settle further back in the field than he would have liked. He added the horse overraced and raced greenly in the early stages and he attributed this to having settled in a midfield position and also having the addition of blinkers as a gear change today. S. Comments:Change of tactics. Connections advised the horse would be ridden back in the field. Jockey J. Lloyd was asked to comment on the tactics adopted in the early stages. He indicated that he had been instructed to obtain cover, which he attempted to do from the wide barrier, however felt he was going to be forced to position the horse further back in the field than he would have liked and therefore at approximately the 1400m elected to press the horse forward and see if he could obtain cover in in a midfield position. He was unable to do so and was obliged to race 4 wide from that point onwards.
