S. Comments: Tactics queried. Rider stated that he was instructed to settle the gelding midfield and in a position off the rail. He added after gaining a position midfield on the back of STUCK WITH YOU, he then elected to maintain that position when LI'L RODGE improved three wide to take up a position in the lead, when it was reasonable for him to allow his mount to improve onto the back of LI'L RODGE. Further added that he didn't improve three wide as he was comfortable following STUCK WITH YOU, however, when STUCK WITH YOU gave ground, he was then taken back through the field and unable to improve.

S. Comments:Had to be resaddled after arriving at the barriers. Slow to begin. When asked to comment on the performance Jockey J Byrne stated that he was instructed to ride the gelding conservately due to the rise in distance and small field. He further added that after passing the 1400m the gelding dropped the bit and failed to respond to his urgings and proved disappointing over the concluding stages. Post race veterinary examination failed to reveal any abnormalities.
