S. Comments: Stewards questioned jockey regarding her tactics, in particular in the early stages of the race where she allowed the gelding to stride forward to a position 5 lengths ahead of the rest of the field. Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in

S. Comments: J. Morris was questioned regarding the tactics adopted on his mount. He stated he had been instructed to lead as the filly had not finished its races off after getting back in the field. He added unfortunately the filly jumped away awkwardly and did not begin as expected and as a result he had to ride hard to carry out his instructions to lead. Trainer L. Ross confirmed the instructions, adding that in its trial the filly had got back in the field and did not finish off and when leading in jumpouts won those heats. The explanation was noted. Vetted with no abnormalities reported.

In Running: /9/9 S. Comments: Questioned re: improved performance stable noted the filly was having its second race start. At its first start the filly, after being slow to begin, suffered interference during the early stages which contributed to its disappointing performance. Stable added that the filly began well today and was able to travel comfortably in a midfield position, which with the addition of blinkers contributed to the improved performance. Trainer reported that the filly suffered a hindleg injury subsequent to this start and was sent for a spell.
