Continued to hang out and shifted ground passing the 400m, forcing BETAJET extremely wide on the track. Trainer P. He added that the gelding had jumped out well in a jump-out and had also worked well leading into today's event, which was consistent with its track work leading into its first start.

S. Comments:Inclined to overrace in the early stages. Jockey G. Colless was asked to comment on the performance of the horse which finished at the tail of the field. He indicated his mount was making an abnormal respiratory noise and then weakened badly over the concluding stages. A post race veterinary examination revealed the horse was making an upper respiratory noise and cardiac arrhythmia. Connections were advised that the horse must undergo an endoscopic examination and an ECG, with results reported to stewards prior to trialling satisfactorily.
