A post-race veterinary examination of the mare revealed no apparent abnormalities.

When questioned by Stewards in relation to the seemingly improved performance, Trainer T. Hurley advised that, in his opinion, the gelding's form was better than it appeared on paper, having only been beaten approximately 5 lengths at its most recent starts. He added that the gelding was also better suited by being able to race in a more forward position when stepping up in distance today, and further added that, in his opinion, this race was somewhat weaker than the horse's previous starts.
