| S. Comments:Rider questioned re tactics from 1200m - instructions were to maintain momentum and if pace slowed to improve forward to eliminate any stop start tactics not suitable to gelding, which is one paced and cannot show any sprint in its race. After going forward at this point was forced to race 3 wide remainder as PRIMAL TOUCH maintained its position to its inside and was forced to race in this position for remainder. Trainer confirmed instructicns and was satisfied with ride. Rider lost whip near 200m. |                     |                 |                                     |

| S. Comments:-- Apprentice jockey A. Sewell advised his mount did not travel well in running at any stage and when asked for an effort at the top of the straight did not let down as anticipated and proved very disappointing. He indicated that the gelding, in his opinion, may not have appreciated the warm weather conditions. A post race veterinary examination failed to reveal any significant abnormalities. |                  |             |     |                                    |

S. Comments:Raced wide throughout and near the 800m was eased out of the event. Jockey J. Lloyd reported that with the slow pace the mare travelled reasonably well, however he felt something was amiss with its action approaching the 800m and as a result he eased it out of the race. A post-race veterinary examination reveal the horse was suffering from cardiac arrhythmia. Connections were advised that the horse must undergo an ECG, and also must trial satisfactorily prior to its next race start.

S. Comments:Jockey R. McMahon advised that early in the event he was brushed by another runner and when he attempted to place pressure on his mount near the 300m his foot slipped from his near-side iron, resulting in him becoming unbalanced and falling. As a result of this incident, I FEEL GOOD was obliged to avoid the fallen rider and was subsequently eased out of the event.

| S. Comments:Jumped awkwardly. Raced wide without cover from the 800m. J. Lloyd reported that the horse was ridden back in the field as instructed and overraced in the early stages. He was of the opinion that the pace of the race did not suit the horse as when the race developed into a sprint home the gelding was left flat-footed and could not make up ground. He indicated that connections suggested that they may consider sending the horse for a spell. |                   |          |     |                                  |                           |

S. Comments:Stewards questioned apprentice B. Grylls regarding the riding tactics she adopted today, which was in contrast to the mare's normal racing pattern. Apprentice Grylls stated that she was instructed to be positive from the barriers and after beginning well she rode forward and crossed to the lead after a short distance. Trainer R. Heathcote advised he had instructed apprentice Grylls to be positive from the barriers although he was surprised that BOCAGE was able to lead as it did today as the mare is often tardy at the start. After considering the evidence put forward trainer R. Heathcote was

S. Comments:Began awkwardly. N. Day explained that the intention had been from the inside gate to ride in a handy position. He said after the mare began awkwardly he did not wish to race in a rearward position on the rail and for this reason immediately shifted to the outside of WALWA. He said rounding the turn near the 1400m it became obvious that WALWA was not intending to race near the rail and as BOCAGE was left three wide without cover, he felt he had little option but to restrain and shift back towards the rail and save ground. He said that after this the horse travelled only fairly in the run and t

When asked to comment on the performance, jockey S. Bogenhuber explained that after being caught wide and having to restrain to take up a position with cover at the rear of the field the filly was unable to race in its customary position and she felt that this, along with today's prevailing track conditions, contributed to the disappointing performance.
