S. Comments:Jockey M. Cahill reported his disappointment with the horse's performance and attributed this to his mount racing too keenly in front and therefore not running out a strong 1600M. He indicated he recommended to connections to drop the mare back in distance and attempt to secure cover as he felt it would settle if given that opportunity. A post race veterinary examination revealed mild heat stress.

Ms Brooker stated that at a point near the 1000m she was of the view that jockey Byrne (ROCK 'N' SUMMER) was likely to improve forward to the outright lied, which would have allowed her the opportunity to improve forward and settle outside that runner, however as this did not eventuate she was then left racing in a three-wide position.

S. Comments:Rider questioned re performance - stated intentions were to obtain lead if possible however, once runners to outside crossed him he was content to settle just off the speed behind the leaders. Added filly under pressure from 600m and then commenced to weaken upon entering home straight and for this reason he did not overly pressure his mount for the remainder. Further added in his opinion the filly was most disappointing. Vetted - no abnormalities.

He added that at its last start the horse began awkwardly and lost ground, settling further back over an unsuitable trip. He further advised that he was instructed to ride aggressively in the early stages to settle in a forward position. Trainer confirmed that instructions have been previously to settle in a forward position, however last start, due to circumstances, settled further back than anticipated. Doyle stated that the gelding was fractious in the barriers and as a result began awkwardly, causing him to settle further back than anticipated. He added that in his view this had a detrimental effect on its performance as the gelding is one-paced and is better suited when able to dictate terms when leading.
