Of particular concern was when the horse appeared to lose ground during the middle stages, when passing the 800m and again after the 600m. He indicated that VITAL LOVE was, in his opinion, somewhat field shy, and shifted in when leaving the 800m, bumping the rail, and after other runners improved to the filly's outside she laid in and away from those runners, bumping the running rail on a number of occasions. She added that the horse has had a tendency in the past to race field shy and being positioned at the tail of the field did not suit the horse, which did not travel comfortably at any stage of the event. A post race veterinary examination failed to reveal any significant abnormalities.
