S. Comments:Slow to begin and tightened between runners on jumping away, having to be steadied. Trainer S. O'Dea's stable representative indicated that in hindsight the horse may not have appreciated racing in a cross-over nose band last start and again in today's event. He said that at its last start the horse did not show its customary early speed and was slowly away again in today's event. He indicated that in light of today's performance, the horse would likely be sent for a spell. Stewards advised him that the horse will be required to trial prior to its next start. Trainer A Willick stated that blood tests along with an endoscopic examination performed earlier this week were clear of irregularities and as such was unable to provide any tangible explanation for today's disappointing performance. She undertook to have further veterinary examinations and blood tests carried out in the days subsequent to today's event, the results of which will be reported to Stewards.
