He added the horse raced very greenly throughout the event. In his opinion, the horse was doing its best work over the concluding stages, would benefit with a step up in distance when able to settle in a more forwar

S. Comments:Slow to begin. J. Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding along in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. Vetted, lame in the near foreleg. Veterinary clearance prior to racing again.

S. Comments:Connections advised that it would be the intention for the gelding to be ridden further back in the field today if circumstances permit. After jumping, the gelding was restrained and caught 3 wide, and was unable to obtain cover despite the efforts of its rider and, as a result, raced 3 wide in a forward position until a point passing the 900m where it obtained cover. Commenced to weaken after passing the 400m, and was slightly cramped for room by runners to its outside which were laying in slightly, and had to be steadied away from the heels of GLENTURRET which was weakening.

At a subsequent inquiry it was established that the racing manners of BALERION contributed significantly to this incident and as such no action was taken against any one rider. Shortly thereafter when obliged to settle behind STARBUSTER, raced fiercely until a point passing the 800m.

S. Comments:Questd disappointing performance. Jockey stated travelled well after having a favourable run throughout, however, when approaching the home turn and racing tight to the inside of another runner, felt it resented racing in this position. Recommended the addition of blinkers. Indicated gelding would be better suited when able to improve to outside of runners wider on track. Post-race vet exam failed to reveal any abnormalities. Swab sample taken. Trainer L Kelly stated disappointing performance may have been firm track conditions and would be sent for immediate spell.

Trainer A Willick stated that blood tests along with an endoscopic examination performed earlier this week were clear of irregularities and as such was unable to provide any tangible explanation for today's disappointing performance. She undertook to have further veterinary examinations and blood tests carried out in the days subsequent to today's event, the results of which will be reported to Stewards.
