He added JETTY was not suited by the slow tempo in the early and middle stages and when improving into the race from the 600 metres was forced wider by runners to the inside when rounding the home-turn. A post-race veterinary examination of JETTY revealed a slow post-race recovery.

S. Comments:Tactics queried. Rider stated that he was instructed to settle the gelding midfield and in a position off the rail. He added after gaining a position midfield on the back of STUCK WITH YOU, he then elected to maintain that position when LI'L RODGE improved three wide to take up a position in the lead, when it was reasonable for him to allow his mount to improve onto the back of LI'L RODGE. Further added that he didn't improve three wide as he was comfortable following STUCK WITH YOU, however, when STUCK WITH YOU gave ground, he was then taken back through the field and unable to improve.

Tomizawa advised that his mount was able to travel in a handy position during the race, however after it blundered near the 700m, the filly failed to travel from that point and, in his opinion, proved disappointing over the concluding stages. The trainer's representative could offer no explanation for the filly's performance today, which he advised was disappointing. A post-race veterinary examination of the filly failed to reveal any apparent abnormalities.
