S. Comments:Performance queried. Rider reported that the filly began only fairly and then failed to muster early speed as it did at its only other start and, as a result, was hard ridden throughout the event in an endeavour to obtain a more forward position. Rider further reported that the filly commenced to run on well in the home straight and, in his opinion, would be better suited in races over a greater distance than that of today's event.

J Orman was of the opinion something may have been amiss with the gelding in the home straight and for this reason he desisted from pressuring the horse over the concluding stages. A post-race veterinary examination revealed the gelding to making an abnormal respiratory noise following the race. Trainer J Moore was advised HODGSON would require a veterinary clearance including satisfactory results of an endoscopic examination prior to its next race start.

Ms Loy advised that as the gelding was only having his third start in her care, she was unable to explain the horses form prior to these runs. She added that having now learnt the mannerisms of the horse she had modified the manner in which she had been training the horse at trackwork and based on these changes was hopeful of an improved performance in today's event.
