S. Comments:After beginning awkwardly, raced ungenerously for some distance when being restrained to obtain cover & lost ground. Continued to race ungenerously in early and middle stages. Raced wide with cover for majority. Rdr reported filly resented being restrained early & did not travel comfortably for remainder. A post-race vet exam revealed lameness in off fore. Tnr advised must trial satisfactorily prior to racing again & require a vet clearance prior to racing again. Tnr indicated would consider dropping filly down in distance and also experiment with gear changes.
