S. Comments:Began awkwardly and shifted out at the start, bumping another runner. When questioned regarding the improved performance of the horse, in contrast to its previous start at Beadesert, trainer R. Mackay advised that at its last start, after being caught wide, the horse was ridden back in the field, which was to its detriment. He added that the horse is better suited when ridden on the pace, and on its home track under rain-affected conditions today he expected a forward showing from the mare.

Apprentice Tarrant indicated that it had not been his pre-race intentions, however after settling, his mount commenced to overerr when the pace slackened at that point and after shifting wider to avoid heels, he was of the view that it would be in his best interests to position the horse closer to the lead.
