He added that from the 550m the gelding laid in for a short distance and when placed under pressure felt the horse came to the end of its run near the 150m, which he attributed to the horse racing first up from a spell tonight. S. Comments:Had to be steadied and checked off heels approaching the 1300m when tightened for room and tehn shortly after overraced when the pace slackened. When questioned regarding the tactics jockey J. Byrne explained that he steadied after being slightly hampered in the early stages he got shuffled back to a rearward position with the slow tempo. He added that at a point passing the 800m no opportunity arose for him to improve on the back of another runner and therefore he elected to wait and not expose his mount too early. S. Comments:Stewards questioned B. Panya regarding the tactics adopted and the performance of the horse. She indicated that after riding the horse forward, as is the horse's racing pattern, she initially intended settling to the outside of DANDOG, however when her mount raced keenly she elected to allow the horse to stride passing the 1000m in an attempt to cross that horse, however DANDOG continued to hold its position to the inside, and whilst her mount did settle somewhat when approaching the 600m, the gelding was immediately under pressure passing the 400m and was disappointing in the run to the line.
