Fancourt reported that after suffering interference at the start she was obliged to settle further back than anticipated, however when the tempo increased from the 800m the gelding failed to quicken as anticipated and finished the race off only fairly. A. Fancourt was of the opinion that the gelding may not run out a strong mile. Trainer J. S. Comments:Blundered at start. Questioned re tactics. Rider stated instructions were to take up a forward position. After travelling a short distance after start it was evident to him he would be unable to obtain a position with cover. Therefore when racing wide he elected to stride forward to comply with instructions. When striding forward he was of view runners to his inside were looking to improve and he made decision to improve quickly to obtain outright lead.

S. Comments:Bumped on a number of occasions rounding the home turn and upon straightening. Near the 250m shifted out and bumped EVERY SINGLE ONE.

Browne said that he attempted to secure cover in 5th or 6th position and when unable to do so he was obliged to allow the horse to stride forward to a position outside the lead closer to the rail near the 600m. He added that in his opinion, whilst this had some bearing on the horse's performance, he felt that the horse did not race comfortably in the rain-affected conditions as when placed under full pressure it failed to respond. | | | |

S. Comments:Bumped at the start. Jockey R McMahon reported that the gelding put in a number of awkward strides in the home straight and as a result he did not ride the horse out over the final 150m due to being concerned with its action. A post-race veterinary examination failed to reveal any abnormalities. Trainer M Wilson indicated that he would step the gelding up in distance at its next start and experiment with the addition of blinkers.

| S. Comments:When questioned regarding the tactics adopted in the early stages, in particular whether there was an opportunity to maintain a forward position rather than restraining and settling further back, jockey C. Whiteley stated that after beginning well, when he attempted to maintain a forward position, STRIDE OF PRIDE, which was racing to his inside, shifted out, forcing him wider. He therefore was of the view that he was going to be caught racing three wide and therefore elected to restrain and obtain a position with cover in a midfield position. S. Comments:Over-raced during the early stages and as a consequence raced wide throughout. When questioned as to the seemingly improved performance, stable representative H Julius noted that the gelding had been caught wide when first up at its last start and that a tongue tie had been applied today which she believes contributed to the improved performance.

He stated that the gelding was well suited as it was back in grade today and was also suited by the increase in distance. He added that in his opinion the gelding will appreciate stepping up to a mile in future. Stewards noted his explanation. Rider R. S. Comments:When asked to explain the overall performance of the horse, jockey B. Stewart stated that, in his view, the gelding seemed to resent racing inside horses and as a result settled further back in the field than anticipated. He added that when placed under pressure soon after straightening the gelding proved disappointing in its finishing effort.

S. Comments:Stewards inquired into the reason for the mare being severely checked near the 300m. Whilst it was established that after passing the 400m a run had presented itself to the inside of STAR OF COLUMBIA, that horse weakened significantly and shifted in at a point near the 350m. This resulted in CAPE DENISON being disappointed for a run to the inside of that horse shortly after and caused apprentice Lacy to check the mare. Stewards could not attribute any blame to any rider and took no further action. Apprentice S. Lacy reported the horse had a minor laceration to the off foreleg post race.
