Trainer questioned re improved performance - explained that first start had a tendency to overrace and was slightly inconvenienced rounding home turn and weakened late over the concluding stages. Added following that race of the opinion would improve with that run however, elected to trial prior to racing and in that trial changed the bit and added a tongue tie in an attempt to have the gelding settle better in its races. Further added subsequently trialled well in that gear and was ridden in a similar manner, which including added fitness contributed to improved performance.

Fradd advised that the mare had travelled comfortably in a midfield position throughout, however when placed under pressure from the 600m it failed to quicken as he had anticipated and ran on only fairly in the home straight. He added that, in his opinion, the below market expectation performance could be attributed to the step up in weight and distance today, and that the mare did not feel entirely comfortable racing on the rain affected track. He added that with the fast tempo today the horse travelled in a comfortable position without being exposed too early, which was consistent with its runs prior to its last start in which it performed creditably.

Rider questioned re manner in which he rode mount out over concluding stages - explained stopped riding after passing 100m when concerned if he continued to ride mount along he would have been awkwardly placed at heels of SIR MAGIC, which was continually shifting in. Added of the opinion his mount's run had come to an end and being out of contention he desisted form pressuring it in the run to the line. Stewards accepted explanation.

Comments:When questioned regarding the seemingly improved performance, Trainer R Lyford explained that the gelding which was having its first start for the stable had worked reasonably, including a jump-out where it had performed competitively. Mr Lyford further added that he expected the gelding to be looking for distances further than that of todays event and was surprised by the win. He further added that with the fast tempo up front in a small field, this was a contributing factor to the gelding finishing the race off in the manner in which it did.
