S. Comments:Stewards questioned Trainer's representative in relation to the improved performance in comparison to its most recent start. He advised that the gelding performed disappointingly at its most recent start and for that reason it was spelled immediately following that event. He added that prior to this, the geldings form, in his opinion, was strong and therefore after returning from a spell, the stable was expecting a forward showing in today's event.

Stewards noted the explanation.

Marshall stated whilst he had been instructed to ride in the forward half of the field, he had been advised that he should attempt to obtain cover. However after travelling a short distance it became apparent he would not be able to secure a position closer to the fence with cover, and therefore near the 1200m he elected to allow the horse to stride forward and assume the lead passing the 900m.
