| S. Comments:On returning to scale, Jockey J. Oliver could offer no tangible explanation for the seemingly disappointing performance of the gelding, which weakened over the concluding stages. A post-race veterinary examination revealed the horse to have excess mucus in the upper airways consistent with the onset of a virus which may have affected the horse's performance. |                       |                     |                                       |                                          |  |  |  |

Oliver pleaded guilty to a charge of careless riding, in that near the 1100m he allowed his mount to shift in when not fully clear of CORNRROW, which was taken in on to RELAMPAGO, which was in turn taken in on to CAMOUFLAGE, which had to be eased by its rider and shift in, resulting in FRENCH HUSSLER being checked. Apprentice Oliver was suspended from riding in races for a period covered by 12 days, to commence at midnight, 31 December and to expire at midnight, 12 January 2017. |                |         |       |                              |

| S. Comments:Trainer T. Bourke was questioned regarding the tactics adopted by apprentice R. Williams. He stated that he had instructed Ms Williams to have the gelding just behind the leaders, however in his opinion the gelding got further back than he had expected. Mr Bourke was advised that in future he must always inform stewards of any change in riding tactics. |                                           |                     |                                        |  |
