S. Comments:Stewards considered an objection lodged by rider of gelding against the declared winner alleging interference near the 400m. On the evidence and after viewing the official patrol films Stewards established that near the 400m the winner shifted out and inconvenienced gelding however bearing in mind the minor nature of interference and the manner in which both horses ran to the finish Stewards could not be comfortably satisfied that had the interference not occurred gelding would have beaten the winner therefore the objection was dismissed.

S. Comments:Rider questioned re horse's disappointing performance. He said he intended to lead today as he did when riding the horse last start, however failed to muster sufficient speed to obtain that position. He said the horse travelled only reasonably throughout and when placed under pressure ran only fairly. Trainer expressed disappointment with the performance today, however added that the gelding sweated up quite badly prior to the event which may have contributed to its poor performance. He undertook to advise Stewards of anything that comes to light which may have affected the performance.

S. Comments:When questioned regarding the improved performance, trainer explained that the gelding sweated up badly prior to its last start at Toowoomba, which he felt explained the below average performance that day. He added that it was the gelding's first start over 1600m and he felt the extra distance was to the horse's benefit. He added he intended to aim the horse towards races over 1600m or longer going ahead with its preparation.
