A post race veterinary examination revealed no abnormalities. Rep stated that gelding had been disappointing this campaign and consideration would be given to his immediate racing future. Rep was advised that Pirandello must trial to the satisfaction of the Stewards so as to be competitive.

S. Comments: Stewards questioned trainer in relation to the horse's seemingly improved performance. He advised that he has always had an opinion of the horse, however at its first preparation the horse was immature and failed to perform to a level expected based on its trackwork. He added that the filly, which was racing first up tonight, had worked well in preparation for the event and as such he had expected a forward showing. pattern. She indicated that her instructions were to ride the gelding in a negative fashion in the early stages and attempt to have it settle back in the field, however her mount raced keenly and she allowed it to improve to the lead. She added that she attempted to restrain her mount however the horse continued to race keenly and she was satisfied that the gelding was travelling well in front. Stewards noted the explanation.

Comments: When questioned regarding the riding tactics adopted today which were in contrast to the gelding's most recent start when it led, apprentice Fancourt stated she had similar instructions today as she had in previous starts, which was to obtain cover, however the circumstances of the race at its last resulted in the horse obtaining the lead.
