S. Comments:Stewards questioned M. Hellyer regarding the tactics he adopted in the event as HIDDEN GOLD led, which is in contrast to its established racing pattern. He indicated that it had been his intention to settle midfield just behind the lead if possible, however after beginning well he elected to attempt to sit outside SOL WITNESS, however when that horse was steadied leaving the 1200m he elected to allow his mount to stride forward, as he had been advised that the horse can overrace, and he established the lead near the 1000m. Stewards noted the explanation.

She stated that approaching the 1200m she did not wish to have to pressure her horse to hold the lead when HIDDEN GOLD improved to her outside so she elected to steady and allow that runner to cross. She added that shortly thereafter RED CHANDELIER improved to a position inside her heels and she was obliged to settle in the position one off the fence. Stewards noted the explanation.

A post race veterinary examination of the horse, which performed disappointingly, revealed a breathing abnormality. Connections were advised that a veterinary clearance must be provided to stewards, including the results of an endoscopic examination, and must trial satisfactorily prior to its next race start.

S. Comments:M. Hellyer said that the mare did not muster early speed, was at the tail of the field, and when pressured from the 600m commenced to hang out. He added that when placed under heavy pressure from the 400m the horse changed stride and raced more tractably and although having some difficulty securing clear running when improving on to the heels of weakening runners, finished the race off nicely and was doing its best work over the concluding stages. He indicated that the horse would be much more suited to races over 1400m and beyond where it will have the opportunity to take up a forward positio
