Orman indicated that despite being wide he was comfortable with how the horse travelled, however when placed under pressure the horse failed to respond and became very awkward in its action, weakening badly in the home straight. A post-race veterinary examination revealed no significant findings. Trainer S. Kendrick indicated that he would have an endoscopic examination performed on the horse and advise stewards of the findings. Stewards advised him that if there was no veterinary explanation for the performance, the horse would have to trial before next start.

S. Comments:When questioned regarding the horse's performance, J. Byrne stated that after having a favourable run, the horse was then shifted out near the 400m to improve into the race, however failed to respond and was disappointing. He added that the gelding may be better suited on a firmer surface than that of today. Trainer B. Ahrens advised that he felt that the horse does not handle rain-affected conditions and has previously not raced well at this venue. He was of the view that these two factors may have had a detrimental effect on the horse's overall performance.

He indicated that it had been his intention to settle midfield just behind the lead if possible, however after beginning well he elected to attempt to sit outside SOL WITNESS, however when that horse was steadied leaving the 1200m he elected to allow his mount to stride forward, as he had been advised that the horse can overrace, and he established the lead near the 1000m. S. Comments:Stewards questioned B. Panya regarding the tactics adopted and the performance of the horse. She indicated that after riding the horse forward, as is the horse's racing pattern, she initially intended settling to the outside of DANDOG, however when her mount raced keenly she elected to allow the horse to stride passing the 1000m in an attempt to cross that horse, however DANDOG continued to hold its position to the inside, and whilst her mount did settle somewhat when approaching the 600m, the gelding was immediately under pressure passing the 400m and was disappointing in the run to the line.
