S. Comments:Tightened for room at the start and lost ground. Apprentice A. Fancourt reported that after suffering interference at the start she was obliged to settle further back than anticipated, however when the tempo increased from the 800m the gelding failed to quicken as anticipated and finished the race off only fairly. A. Fancourt was of the opinion that the gelding may not run out a strong mile. Trainer J. Zielke confirmed the stable was somewhat disappointed with the performance and felt it raced a little flat today and would look to start the horse over 1400m next start.

She indicated that after the horse started at the Gold Coast on 17 May the stable added a tongue-tie to the horse's gear, which it raced in on 17 June. However the gelding's performance on this occasion could be explained by sustaining interference on a number of occasions throughout the event, as noted in the Stewards' Report. She added that the stable had expected a forward showing in today's race as the horse had responded in its trackwork following the addition of the tongue-tie. A post ra

A post race veterinary examination failed to reveal any significant abnormalities. The stable representative advised that they may have veterinary tests carried out on the horse
