Whilst it was established that after passing the 400m a run had presented itself to the inside of STAR OF COLUMBIA, that horse weakened significantly and shifted in at a point near the 350m. This resulted in CAPE DENISON being disappointed for a run to the inside of that horse shortly after and caused apprentice Lacy to check the mare. Stewards could not attribute any blame to any rider and took no further action. Apprentice S. Lacy reported the horse had a minor laceration to the off foreleg post race. | 54 Stephanie Lacy  | (13) 54 (52) R53  | \$16,000 \$5 \$4.60 \$5.50       | <b>In Running: 12/11/10</b> |

| S. Comments:Stewards questioned B. Grylls regarding the tactics she adopted in the middle stages when she steadied her mount after having secured the lead, which resulted in her being in a trailing position. She stated that approaching the 1200m she did not wish to have to pressure her horse to hold the lead when HIDDEN GOLD improved to her outside so she elected to steady and allow that runner to cross. She added that shortly thereafter RED CHANDELIER improved to a position inside her heels and she was obliged to settle in the position one off the fence. Stewards noted the explanation. |                   |               |     |  |  |                               |

She added that in the heavy going she was not overly concerned to maintain the position she did, however in hindsight conceded it may have been more advantageous to endeavour to restrain to find cover. | S. Comments:Began awkwardly and lost ground at the start. On returning to scale jockey B. Stower advised that after beginning awkwardly her mount raced in a rearward position in the early stages. She added that the filly commenced to overrace near the 900m and despite her best efforts to restrain the horse she was unable to maintain a position trailing LATCHY'S GIRL, and as a result shifted wider on the track when awkwardly placed at that runner's heels. |                   |     |             |                                                            |                               |  |  |  |  |
