S. Comments:Bumped heavily and then crowded on jumping. Rider questioned - stated intention to be in handy position however, after beginning awkwardly then being crowded at start raced further back than anticipated. Specific instructions not to race near rail and for this reason remained racing behind NAKANAI until approaching home turn. In middle stages gelding dropped the bit and in his opinion was not handling soft track conditions. Bearing in mind big weight reluctant to ride for luck and of opinion ground in centre superior took option to come widest at turn.

S. Comments:Rider afforded opportunity to comment re performance - explained the colt began only fairly and therefore elected to race towards the rear of the field to obtain cover. Added when pace of the race steadied from 1000m to 600m the colt commenced to overrace and in his opinion was not comfortable in today's track conditions. Further added that the colt failed to sprint when placed under pressure and found the line fairly and also added it may be better suited over further distances.
