S. Comments:When questioned regarding the poor performance of the gelding rider explained that the horse performs best when able to dictate terms in front. He said that after a runner improved quickly to his inside, his mount was then inclined to lay out, rounding the home turn ran wide, and weakened noticeably over the concluding stages. A post-race veterinary examination did not reveal any abnormalities. Trainer was told that the horse must perform satisfactory in a trial prior to being permitted to race again.
