S. Comments:When questioned regarding the poor performance of the mare, Jockey stated that instructions were to ride the mare in a rearward position, in accordance with its established racing pattern. He said that whilst racing at the tail of the field he was caught 3 wide when the mare pulled hard and refused to settle. He added that he was then obliged to race in that position throughout and when placed under pressure after straightening for home the mare failed to respond to his riding and was disappointing. On the evidence stewards found that passing the 200m mare improved from a position behind second placegetter and at 100m improved past that runner and shifted into the running of second placegetter however the interference was deemed negligible. Given the minor nature of the interference and the margin of 1 ¾ lengths stewards deemed the protest to be frivolous.
