S. Comments:Restrained near the 200m when crowded by another runner. A postrace veterinary examination of the filly, which hung out in the middle stages and rounding the home turn, revealed no abnormalities. Trainer explained that the filly, which was having its first start for his stable, in his opinion failed to handle racing in a clockwise direction today. Trainer was advised that a warning for hanging out would be placed on the racing record of the filly. Trainer further advised he would experiment with the filly's gear in an attempt to rectify the issue prior to its next start.
