Comments:When afforded the opportunity to comment on the horse's performance, jockey stated that after being crossed, his mount raced further back in the field than he would have liked and only travelled reasonably throughout the event and was doing its best work over the concluding stages. He said when crossed by SUPER MARS, that horse then steadied, resulting in him being placed one position further back than he had anticipated. Therefore, surprised when jumped well and found itself in lead. Had a look near the 700m when one of the two expected leaders improvide to his outside. Then had another look near the 400 to ascertain if he could shift out across the heels of runner outside of him but was unable to do so when other runner commenced to improve to his outside. Stewards noted explanation but expressed their concerns and advised jockey not leave riding open to question.

S. Comments:When questioned, rider explained that after being caught wide early, he then elected to ease to obtain a position closer to the rail and as a result settled further back than he had intended. He added that he was then momentarily held up for a run prior to the home turn however, after gaining clear running at the entrance to the straight the gelding was in his opinion slightly disappointing. A post race veterinary examination failed to reveal any abnormalities.

She said after beginning well she was able to obtain a forward position one off the fence where the filly travelled comfortably throughout. She added that she attempted to improve into the race from the 600m, however when trapped on the back of the tiring CATHRIN MARY, this resulted in her mount losing ground and forward momentum, which jockey Bogenhuber felt was of significance to the horse's overall finishing effort.
