| S. Comments:when questioned over below market performance rider G Geran stated his intentions were not to race as forward as he did today, however after beginning well from the good draw he elected to maintain a forward position in the early stages. He added the gelding travelled well in the run but failed to run on when placed under pressure. Trainer R Hay confirmed CAMONOLOGY is better suited ridden further back in the field, and concurred with the comments of G Geran. Stewards accepted the explanation of both parties. |                      |                 |                           |

| S. Comments:Slow to begin. Stewards spoke with Trainer re the seemingly improved performance. He advised Stewards the horse had been unlucky in previous runs. S. Comments:Missed the start and settled at the rear of the field until the 500m where App. N Norton shifted wider and attempted to improve. CAMPANOLOGY subsequently weakened in the straight finishing well back. Stewards advised App. Morton that she may have been better served by riding the horse for luck by staying on or near the rails after getting back early in the run.

S. Comments:Shortly after the start was placed in restricted room and eased when runners either side shifted ground. Apprentice J. Oliver could offer no explanation for the horse's performance. Trainer B. Currie also expressed disappointment with the performance, which he could only attribute to the horse failing to back up after racing on a heavy track at its most recent start and undertook to advise Stewards in the days subsequent to the event if anything comes to light which may have affected the performance. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

S. Comments:When questioned concerning the riding instructions, apprentice S. Lacy advised stewards that she was advised to ride the gelding where it was comfortable and then work home. Apprentice Lacy said that CWMBRAN was slow to stride and in her opinion was not entirely comfortable with the sand surface and therefore her mount took a position several lengths behind the field. She further explained that she then took the horse to the outside at the 550m and finished very strongly over the concluding stages.

 S. Comments:On returning to scale S. Bogenhuber reported that her mount began well and obtained a leading position, however passing the 1000m she was content to allow DRUNK ON A PLANE to cross her to give her cover for the remainder of the event. Jockey Bogenhuber added that when placed under pressure from the 700m the filly failed to respond to her riding and proved disappointing. Jockey Bogenhuber added that in her opinion the filly raced somewhat flat today, which she attributed to the horse being second up from a spell.

S. Comments:On return to scale jockey S. Bogenhuber advised she was instructed to obtain a forward position from the wide barrier. She added that as a result of these instructions she rode her mount vigorously from the barriers, however when a number of runners to her inside showed speed, this resulted in her racing very wide without cover for the duration of the event.

S. Comments:When questioned regarding her tactics, apprentice T. Brooker said she was not given any specific instructions, but after jumping well she elected to push forward to clear runners drawn to her inside. App Brooker added that after obtaining the lead she was happy to allow runners on her outside to cross forward of her however, when they failed to do so she was content to hold the lead.
