S. Comments:Had to be restrained from heels near the 600m. Jockey was questioned regarding the tactics he adopted in the early stages. He stated that it was always his intention to race in a forward position either outside the leader or with a trail behind the leaders, however after beginning reasonably well, he was unable to cross runners to his inside and as a result he eased to took a trailing position. The explanation was noted.

He added that the horse worked well on the Wednesday morning prior to today's event, and whilst it was suited by the drop in weight for today's event, and had previously shown a liking for this track, he was nevertheless surprised that the horse was able to win today's event.
