S. Comments:On returning to scale apprentice S. Sweeney reported that after being caught wide in the early stages she elected to restrain her mount to a position one off the fence near the 900m, however from this point to a point near the 600m her mount was off the bit and lost ground. She added that the gelding began to travel strongly near the 600m, and ran home well over the concluding stages.

S. Comments:Apprentice T. Brooker reported that it had not been her intention to lead. She said she had been informed that the horse has a tendency to be slow to begin and so she was advised to be aggressive out of the barriers. She indicated that the horse began well and rather than restrain she allowed the horse to stride forward to the lead.

S. Comments:Trainer R. Lipp advised that whilst it would not be the intention for the horse to lead, it would be ridden in a forward position. The horse was ridden forward in the early stages and settled outside the leader. Bumped another runner on jumping. Laid out under pressure in the home straight near the 200m, causing its rider to stop riding and straighten.

| S. Comments:Commenced to hang out and shifted wider on the track rounding the turn near the 1200m. On return to scale, jockey K. Yoshida reported at as a result of his mount hanging out at that point in the race, the gelding proved difficult to ride and for that reason he allowed the horse to stride forward, however this resulted in the horse racing wider for the remainder of the event. A warning was placed on the horses racing manners. |                      |                      |   |
