S. Comments:Commenced to over race soon after the start and raced wide throughout. When questioned regarding racing wide throughout and the tactics adopted, jockey B Newport advised he was hopeful of obtaining cover in the initial stages, however once VOLDERMORT commenced to over race in the early stages he was unable to restrain to a degree that allowed him to obtain a position closer to the inside running rail. Mr Newport also added that due to other runners progressing forward to his inside this also made his attempts to obtain a more desirable position even more difficult.

S. Comments: Shifted in abruptly at the start and bumped heavily with another runner. Raced wide in the early stages before settling outside the leader from the 700m. Weakened from 500m. A post-race veterinary examination revealed the filly to be making an upper respiratory noise following the event.

S. Comments: Steadied from heels leaving the 800m when racing keenly. Held up for clear running from approaching the 400m until the 200m. When asked to comment on his decision to not improve into a run available to him leaving the 200m, rider advised that he was being particularly mindful of runners in advance of him shifting ground, and therefore felt that there may have not been sufficient room to do so. He further added after the gelding had travelled well into the home-turn, it failed to let down as expected and proved disappointing when placed under pressure.
