S. Comments:Jockey L. McCoy reported that during the middle stages of the race her mount felt somewhat awkward in its action and was reluctant to stretch out. She added that, in her opinion, the gelding's action improved in the home straight, however it still did not feel entirely comfortable and, for that reason, she desisted from riding it out over the concluding stages. On the advice provided by jockey McCoy, Stewards ordered a veterinary examination be undertaken on the gelding which revealed no apparent abnormalities.

S. Comments:When questioned by Stewards questioned regarding the seemingly improved performance, trainer's representative M. Jaynes advised that the gelding was fourth up from a spell today and was therefore at is optimum fitness. He added that the stable had also increased the gelding's volume of trackwork which he felt was also a contributing factor to the horse's improved performance today. Stewards noted the explanation.
