S. Comments:Raced keenly near the 600m. Performed below market expectations. Underwent a post-race veterinary examination which failed to reveal any significant abnormalities. Rider was unable to offer any explanation for the performance. Trainer advised that the filly, which settled just off the pace, may have struggled to run on with the firmer track conditions. Trainer added further that he felt the notable betting fluctuations weren't all together justified and that the stable had not supported the filly with bookmakers on this occasion.
