S. Comments:Rider said instructions were to lead if possible. He said the gelding showed sufficient early speed, however ARGO'S REVENGE also improved to his inside, so he had to make more use of the gelding than he would have liked. He said at its previous start the horse was inclined to overrace and hang out and for this reason he was intent on pursuing the lead and getting the horse across to the rails. He added that the horse then travelled nicely in front and weakened over the concluding stages. He said he would have preferred not having to make as much use of the horse in the early stages.

Jockey Morris was suspended from riding in races for a period of 12 days, to commence at midnight, 28 January and to expire at midnight, 9 February.
