Commenced to hang in approaching the 600m and continued to do so for the remainder which resulted in the rider having some difficulty in riding the gelding out. A post-race veterinary examination revealed the gelding to be exhibiting signs of mild heat stress. Trainer S. Hardy was advised that a warning will be placed on the gelding's racing manners. Mr. Hardy advised Stewards that he may now experiment with some gear changes for the horse's future starts.

She stated that SINGLE AGAIN travelled well until the 400m, however, when placed under pressure upon straightening was disappointing in the early part of the straight. A. Fancourt further stated that over the final stages made steady ground and in her opinion, the filly may not have appreciated today's track condition and may also appreciate a step-up in distance for future starts.

He added that the horse's manners in the early stages did have a detrimental effect on the horse's overall performance, and the horse despite this ran on fairly.
