He indicated that, in his opinion, the gelding isn't suited to 1200m and was under pressure in the early stages. He stated his mount travelled well and was following the winner rounding the home turn, however when DON'T TELL MAMA sprinted quickly his horse was unable to quicken and finished the race off fairly.

He said that last start it travelled well in the run on the speed but failed to finish the race off over the concluding stages. Therefore, he elected to remove the blinkers for today's event. He added that the horse was having its third run back from a spell in the appropriate grade today and he was hopeful that the horse would race much better and he was not entirely surprised by its win.
