S. Comments:Slow to begin. J. Lloyd was questioned regarding his tactics on the gelding. He stated that, having its first for the stable, he had been instructed to ride the gelding quietly from its wide barrier and settled at the rear of the field, however he was disappointed with the way the gelding finished the race off, adding that it was inclined to lay in under pressure. Trainer T. Edmonds confirmed the instructions to ride the gelding quietly. Mr Edmonds was advised that should these instructions change, he would be expected to notify the stewards of a change of tactics.

S. Comments:When questioned, J. Lloyd stated that the gelding appreciates racing inside other runners and when the pace was only slow in the middle stages he elected to improve to the outside and press forward, however after being brushed by BRILLIANT JET near the 500m, his mount lost concentration and failed to respond to his riding from that point. A post-race veterinary examination revealed no significant findings.

He then indicated he was able to improve into the race after passing the 600m and was very satisfied with the horse's finishing effort. Jockey Orman was of the opinion that the horse's performance was significantly affected by the slow tempo set throughout the event.

S. Comments:When questioned regarding the disappointing performance, Jockey J Morris stated that the gelding was able to lead as expected, however, failed to quicken when placed under pressure and he attributed this to today's prevailing track conditions. A post-race veterinary examination revealed the gelding to have suffered a minor laceration to its off hind cannon.
